

The Greater Kansas City AFL-CIO is proud to announce the first Kansas City Labor Car & Bike Show as our 2019 event to be held at 9 am Saturday, August 24th, rain or shine at Providence Medical Center Amphitheater 633 N 130th St Bonner Springs KS, 66012. The event is open to everyone and admission is free. Competitors pay an entry fee of \$25 for an American Made car or motorcycle. The top 40 winners receive a trophy and Gold and Platinum sponsors can select a winner and present a trophy with naming rights. The first 200 preregistrations will receive a dash plaque and a union made in America mechanics shirt with the KC Labor Car and Motorcycle Show logo.

In addition to building solidarity and having a good time, this format provides a chance to raise money. All proceeds will be donated to Working Families' Friend (WFF), a 501(c)3 and labor's charity of choice. WFF provides emergency assistance exclusively to working people during a time of crisis. I am asking for your help to make this first and toughest year a success. Please sponsor this event and join us as organized labor in the area come together. We are also requesting in kind donations to be presented as door prizes and vending opportunities are available. Contact the office at 816-221-6163 for more info.
